TIDEWATER MG-T CLASSICS

MONTHLY BULLETIN

REPORT ON SEPTEMBER MEETING

Held on Wednesday, September 5 at the home of Roy Wiley. 14 people present - 5 TD's and 1 TF.

Jack Manherz reported that we now have 21 fully paid up members with \$120 in the treasury. A new membership roster will be drawn up consisting of the 21 members.

Roy Wiley circulated some sample dash plaques. The emblem design and manufacture is still in committee. Local sources for dash plaque manufacture have been investigated, but the available 1" x 2" plaque was not considered to be large enough. Further sources are now being sought.

Dave Barrows, who was unable to attend, sent along copies of the newsletter of the "Classic MG 'T's of Hawaii". The Hawaii club are always interested in exchanging newsletters with other clubs and although we do not have a newsletter, we will exchange minutes of meetings and anything else we have concerning our meetings.

October is election time for club officers. A nominating committee, consisting of Mike Ash, O.D. Dawson and Chuck Souder was formed. Jim Banvard and Dave Barrows will not be available for re-election as President and Vice-president respectively.
