

JUNE 1975

JUNE MEETING - Roy Wiley hosted the June meeting with 20 people in attendance, driving 1 MGTC, 1 MGTF, and 7 MGTDs. Thanks Roy for all the food and drink. Mike Ash (President) showed some beautiful slides of the last MINI-GOF at Williamsburg, and some of past gatherings. Mike pasted out copies of SPORTSCAR - "THOSE FIFTY YEARS!" which pertained to the history of MG's at \$.50 per copy. Anyone desiring a copy should contact Mike. He only has a couple of copies left.

REMEMBER THAT DUES IS DUE - We are enclosing an application for next year's dues, so please fill it out and return it with money, no stamps.

ONTARIO CLUB RAFFLE - It was suggested that we send them some of our "T"-Shirts. This will be done in the near future, as Mike has received the sizes that they need.

MARINER'S MUSEUM DRIVEOUT - Small group of only 4 MG's attended the driveout to the Museum.

BACKBAY WILDLIFE REFUGE DRIVEOUT - Tune your cars, as we hope that more will attend this driveout with a picnic lunch to follow. This is planned for the weekend of 13 July 1975. A separate flyer will be mailed with more information on location and time to meet.

FUTURE DRIVEOUTS ARE PLANNED FOR: Nags Head, Busch Garden, Jamestown Island Drive, Montross Fall Festival, etc., etc.

JULY MEETING - O. D. DAWSON will host the July meeting on 2 July 1975. (See flyer for directions).

NEW MEMBERSHIP ROSTER - MIKE ASH has prepared a new membership roster with names and addresses which is enclosed. If you find any errors please contact Mike for correction thereto.

JOHN NEWMAN MOVED - John has moved from the Tidewater area to 5027 Etna Road, Whitehall, Ohio 43213. Looks like we will have to plan a long driveout to see John. Good Luck John in Ohio.

PAST EDITOR OF NEWSLETTER Hank Giffin wrote to Mike saying Hello to everyone, and also noted that he saw Bob Brown, past member, and Rick D'Arezzo at the Springfield, Mass. Gathering of the Faithful.
