TIDEWATER MG "T"  
CLASSICS

A CHAPTER OF THE  
NEW ENGLAND "T" REGISTER

On Wednesday night, May 7, 1975, Bob Pellerin hosted the meeting with 18 or so members present with President Mike Ash presiding. SIX MGTD's and ONE MGTC (dirty) in attendance.

Thanks was received from the Chesapeake Chapter for our hand in the Mini-GOF at Williamsburg, Virginia which turned out as a success as far as we were concerned. I attended the gathering on Saturday seeing around 60 or more MG's there and the banquet was attended by around 110 people with a delicious meal. Raffle was held and many good prizes were given out. Rumor has it that after the banquet was over that some people went down to Mike Ash's room then to the swimming pool at 3:00 A.M. in the morning. I bet they felt good the next morning.

We all look forward to next year for another Mini-GOF either here or near Washington.

Fartherest travelled MG's for the Williamsburg, Va. event were from Ontario, Canada. They brought (drove) down three cars I believe.

NEXT MEETING - June 4th -- will be held at the home of Roy Wiley. Bring any pictures you took at the gathering so those who didn't attend may see what they missed.

ACTIVITIES COMMITTEE - President Mike Ash asked the following club members to be on this committee: Camille and Cathy, Roy, and Jim Banvard. These people will get together and plan our driveouts, etc. for the remainder of this summer. If you have any suggestions please let these people know so they can consider them.
