

# THE DIPSTICK

July 1982

PRESIDENT: Ross Haines 486-1496
VICE PRES: Vince Groover 497-6904
SECRETARY: Mary Thompson 495-0085
TREASURER: Bess Mann 587-2464
EDITORS: Mary Thompson & Jennifer Ash

I should begin this newsletter with a cheerful note but----never let it be said that good news should come right off the bat! I will begin with a sad story on how very sad I felt that we were going to be without an editor and how it was our civic duty to find one.... well it doesn't pay to have a big mouth.... now I am the editor. Now the good news is that Jennifer Ash is "easy" as previously quoted or referred to in another newsletter.....she is sharing the responsibilties....that was easy to say seeing she ran off to merry olde England without me or her share of the newsletter. Really sad, wouldn't you say? This is really a burden of love as I CAN'T TYPE!!!!

## JUNE MEETING----SECRETARY'S MINUTES:

Ross opened the meeting with a very special thank you to the Bradfords for hosting the last meeting, they only had a few days notice. It seems the person who was to host the meeting moved and left no forwarding address....we seem to have that effect on people and places of business.....sounds very interesting!!!! The minutes were approved and the meeting progressed along. Hold on to your hats.. Bess Mann actually showed up! She said she had to come in order to defend her honor. Probably a good idea Bess, I know it's a tough crowd. As of 7 July 1982, we had a balance of \$768.97.....please don't tell Hank, you know how bitter he gets. This portion of his newsletter will be blank.

Abig discussion was held on the payment of dues, we still have a long list of unpaid members. Someone actually paid a year in advance, the name has been withheld to protect the member.

The next meeting will be held at Elsie Tarr's home....it was noted

that you have an unpublished phone number....if you start receiving mysterious phone calls and your social life picks up immensely....it is due to Robert....he wants to publish your number at the beach.... and on walls no less!!!!

The Christmas Party will be held at Ross and Ann Haines home. December seems like a good month to have a party exclaimed someone from the group!

The rally/eat-out was a big success. We have absolutely not one documented report as Richard Hall hosted it and Roy Wiley is the Events Chairman......I'll say no more. Something tells me this could be a very dangerous job.

It's picnic time!!!! Anne will be planning the games and it looks like a super fun day.....more information to follow.

Robert's report was not worthy of print. Sorry Robert you'll have to do better. It was suggested that you seek help from Mike Ash, someone said he spoke the language properly.

Another sad note.....our Trivia Quiz.....can you believe that MG Ash won due to the fact that he was the "only eligable submitter"... Mike wanted to know if he looked like an eligible submitter....h--- no!!!!!!! was shouted .....someone else shouted depends on what he submitting. It's probably a good thing that I'm slow at catching quotes because thigs got worse.....poor Ross.

I'm just getting the hang of this typing jazz....guess I should have thought about spacing ....oh well....any complaints and you have the job!!!!!!!!

Jim Banvard was officially elected to be our club communicator. He will correspond with Roy Mercer. We expect big things from you mr. Jim.

We received a letter from Jim White with some sad news regarding Jack Jackson. He is very ill and not responding to treatment as quickly as anticipated. Keep him in your thoughts.

We had a nice report on British Car Day from Dick Bolen. He encouraged everyone to attend next year.

Due to the limited ability of the Editors, please have all info to Mary Thompson, 5341 Alton Drive, Va. Beach, Va. 23464 by AUGUST 20th.....THANKS!!

## FROM OLDE NUMBER 6733:

- 54. What does "MMM" in the MG Car Club's "MMM" Register stand for?

  A. Midgets, Magnas and Magnettes. "I'm sure I'm not the first to point out in answer to your correspondent George Jarrard (J2 article TSO April 1981) that the MG Car Club's "MMM" Register stands for Midgets, Magnas and Magnettes." (TSO, October 1981, p. 34)

- 56. Who banned the racing of MG's in 1935?

  A. Sir William Morris. "Kimber's boss wanted racing to pay dividends in car sales if he was to support it, and one important bit of advertising copy was the success of the MGs in the hands of private owners. One suspects that Sir William Morris did not know about these deals, an it is possible that his discovery of them may have been partial cause for his racing ban at the close of the 1935 season." (ISO, June 1981, p. 8)
- 57. What MG established a basic design used through the TF?

  A. J2. "The J2 introduced the "T.T. Style Body" to the sports car market. Its square back with slab fuel tank, cut away doors and flaired scuttle was used on MGs up to the last TF of 1955, was copied by serious (and some not serious) British sports car makers in the nineteenthirties and still survives today with Morgan cars." (TSO, Apr. 81, p.4)
- 58. When seated in a TD how far are you from the road (in inches)? A. C. 15. "Climbing into an MG is an adventure in itself. You swing open the front-latching door and lower yourself down into the seat, until you're settled in, a bare 15 inches above the road, feet thrust into a narrow tunnel with pedals grouped very tightly. The door closes solidly its ash core giving it balance and rigidity. The door's swooping cutaway increases the feeling of proximity to the road surface especially with the side curtains off." (TSO, Apr. 80, p. 30)
- 59. The "Battlefield Bivouac" was so named by
  A. Carl Fisher. "Rumor has it that Carl Fisher coined the term
