## MARQUE TIME:

Again we thank the Ash's for contributing so much to the club, this time by hosting our November meeting. Gary Teal was our guest. Gary has a MGB and MGB GT, and we hope to be seeing him at our next gathering.

Our next event is the Christmas Party and it's at Libby's house (the garage is mine). In case you missed the last meeting, there will be a final exam that night consisting of 20 multiple guess questions. Come to the party, and with your exam finished you will be able to enjoy the rest of the holiday season with the peace of mind that you don't have to study for January. Those who study will be rewarded with prizes and praises. Those who do poorly will be required to attend all Tech Sessions in 1992. We are looking forward to starting the holiday season with our MG friends, so we hope to see you all December 7.

There will be no Dipstick in January, so mark your calendars to be at Dave's and Joan Bowlings. See you there.

*Safety MG fast!*
