## Marque Time

*We had a great meeting at Scott & Nita's last month. Got to check out some interesting Midget projects.*

*Went to the Hot Rod Jamboree on the 13th. It was definitely not an MG event, although there were some interesting things to see.*

*The drive-out to Grandy was great. Five MGs were present. Shelly did a fine job of leading the pack and no one got lost. Don Bierwerth from N C met us there with his very presentable TD. Shelly said something about another drive-out soon. To Doumar's in Norfolk? Come to the next meeting and get the details.*

*The name tag evolution is still on track and progress is being made, "slowly". Should have more info at the meeting.*

*Congratulations to our secretary, Doug Kennedy and wife, Betsy, on the recent birth of their new baby boy.*

*Looking to a large turnout at our next meeting, now that spring has arrived.*

# Meeting Minutes

MAY 1996

## Meeting Minutes

The 8:00 meeting started promptly at 8:07 as El Presidente Frank Linse called the meeting to order from the Presidents Thrown with a rap of his mighty gavel. He thanked Scott and Nita for their hospitality and welcomed Dennis and Carla Swaboda as new members.

Minutes were accepted with the note that JT is JD and Mark has not actually fixed an alternator yet.

Treasurer's Report: Receipts \$53, Disbursements \$112.40, Balance \$816.51

Activities: Shelly is STILL working on a drive out to Mel's Diner and has scheduled it for Sunday April 14th at 11:00. Meet at the Mcdonald's at Military Circle. Of course by the time you read this the event will have already been held so ignore this paragraph.

Frank also has a list of national MG type events so call him if you're looking for a show to take up a free weekend.

Membership: New rosters were available and will be at upcoming meetings.

Newsletter: Greg has reduced the cost of the newsletter by one-half and is doing a great job.

Technical: Tech session at Frank's house was a great success with wonderful food from Chef Glo. Bob and Frank tinkered with making some brake lines for Tom Sawyer's Jag MK II. Also, many members took the opportunity to tune and dial-in their MGs. These tech sessions are a great opportunity to make use of the club's collective wisdom and maybe even get your car fixed correctly too.

Regalia: Mark says EVERYTHING is for sale.

Spares: Robert Davis was in England restocking his own personal stock.

Clubs: Mike Ashe had a host of club paraphernalia for perusal. Sue Bond mentioned that the AACA is holding a national meet this September in Chesapeake. Terry Bond is chairing the event and has a ton of great activities planned.

Old Business: Greg Coogan discussed the Richmond Chili Cookoff and said it was a great time. He also chastised those people who wussed out and didn't attend!

New Business: Frank "Nametag King" Linse took the list of names to the engraver and found out that there will be a delay while the logo get configured for his top-secret neutron beam laser engraver. If you still want a nametag it isn't too late so call Frank ASAP.

**MEETING MINUTES** *continued*

Marque Time: Doug "Pardon this commercial message" Kennedy mentioned that he and Vince have finished the restoration of a 69B. PLEASE call him at 460-5037 for all the details of this fabulous auto with new chrome, paint, interior, top, tank, clutch, windshield a great engine, and meticulous rebuilding to match the fabulous detailing. Case of beer is in it for any referrals.

Vince Groover reported that he made no progress in restoring his GT. However, he did pull the carpets out of the box.

Bill Keeler reported that he hopes to have his B ready for the Richmond show and is now working on the interior. With the help of his able-bodied son and his schematic reading ability they are increasingly optimistic. As a sign of life the car is also "marking its territory" to show that the garage is its new home. Much speculation was raised as to the source and cure with many agreeing that putty/hot glue/POR/caulk may be an inventive fix for any leak sources.

Sue Bond reported that the GT made its first out of barn appearance in quite some time.

Bob McLaren called Tom Sawyer looking for some parts he had loaned him and reported that Tom will be in town soon to pick up some cars from Frank's Used Brit Car Lot. Also, Bob is making great headway on his C-GT and would probably be done if it weren't for some "recalcitrant" bolts.

The raffle was held for an "MGs Through The Ages" poster and Paul won as we all groaned.

The meeting was grudgingly adjourned and we all stormed the chow.

**Name tags are available for sale. Price is \$5.00 per tag. Order at next meeting or send check or money order to: Frank Linse, 301 E McGinnis Circle, Norfolk, Va.**

# Richmond's Chili Challenge

With a short trip on a cool, overcast day, we arrived in Richmond for the Chili Bowl V. The front lawn was bursting with color with as many as 15 various makes of British cars lined up to greet us. Red seemed to be the color of choice. It was very apparent there was as much interest in the "field of dreams" out back as there was out front.

There were many fine British cars in various states of repair or decay—it was hard to tell—just waiting to spring back on the open road. Once inside, the laughter and chatter be heard from all corners of this chili arena. The food was a chili lovers dream come true. With the final call for ballots, it was discovered that the Texas chili was, in fact, a two-part dish and many took the opportunity to sample one last time. All in all the food was great, the cars beautiful and, of course, the people were warm and friendly as could be.

Thank you for a wonderful and fun time. We look forward to next year.

...Scott Bradford
