Thanks to the Shepards for hosting a most-memorable October meeting. Martha Stewart couldn't have outdone the gastronomic delights. Derek and Beth Straw, on a visit from England, dropped by to say hello. For those who have joined in the past year, the Straw's had their MGF brought over from England while on military assignment. As it was quite possibly the only MGF in the country, and most likely the only MGF in a US club registry, it brought a good deal of publicity everywhere it went.

For those who missed a taste of the Old Speckled Hen which drawing-winner Bill Goff so graciously shared can try again next month when we raffle off another 4 pack of the MGTD racer-inspired beer can either patiently wait to win next month, or purchase it at Taste Unlimited for about 9 of Frank's raffle tickets per can.....

Our WEB site looks really good - check it out at WWW.MG.ORG. John Severin put a good deal of time, effort and creativity into the design. Any WEB site construction experience out there? If you can dedicate some time and energy to the site, or if you have cyber-friendly MG graphics to share, please E-mail John thru our home page.

Christmas Party '98, hosted by Leslie Paul and Bill Seib is just around the corner. See the Upcoming Events column for details. Don't miss the November tech session and museum tour at the Bond's.... bring a camera. Thanks to George and Sue for sponsoring the November meeting on such short notice. Dave Shepard is looking to get a golf outing together.... if you're interested, give him a call at 496-0787.

Becky and Alan Watson did a bang-up job on the pictures from the Pig Roast. I have the rest of the lot, and will bring them to meetings and events. Unfortunately, Alan's B may not recover from the accident....the insurance company is considering calling it a total. Hopefully, it can be resurrected and back on the road....
Safety Fast! Mark

MARK YOUR CALENDARS!

See the spark plug display and other automobile memorabilia at the Bonds during the annual fall tech session. Work on your favorite MG problem while you enjoy the company and the fall weather.

See you at Terry and Sue's on November 8th!
