

## TIDEWATER MG-T CLASSICS

### Report on November Meeting

Held on Wednesday 7 November at the home of Mike ASE. 11 people present - 2 TD's, one FF (in garage).

New club officers officially took the reins.

Ray Wiley reported on the Williamsburg trip (and also on how not to drain a cooling system!). Approximately 12-15 T's from both clubs made the trip, and an enjoyable time was had by all. A suggestion to reciprocate with a similar outing in the spring met with approval. The Williamsburg group refunded \$9.00 from the fees collected which was not used. The members present voted to put the \$9.00 into the club treasury.

Ray Wiley reported on the progress of our badges (again!). He had a full scale drawing from the manufacturing company which met with general approval. A motion never to have another discussion on badges was unanimously approved. Hooray! If you have not yet sent \$3.00 to our treasurer, Jack Mahherz, for each badge you desire, you may do so now. The \$3.00 will be deducted from next years dues. New members will automatically get a badge when paying their first years dues.

A representative from SNAP - ON tools made a short talk and took us on a tour of a van full of tools he parked in Mikes driveway. He distributed catalogues but did not offer us a group or club discount. Walking in his van felt like being a child in a candy store!

Kacey Chuilli reported on membership cards. The minimum order is 500, however prices are reasonable. 1 color - \$14.50; 2 colors - \$18.50; 3 colors - \$24.50. It was decided to wait until the badges get back before taking further action on the membership cards.

The subject of a phone committee to remind members of our monthly meetings was discussed and it was agreed to continue this practice.

Bob Wayne invited our club to a Christmas party given by the Tidewater Sports Car Club on 8 December at the Iron Workers Hall. Bring your own bottle. If interested call Bob.

Hank Giffin reported ordering parts from OCTAGON SPORTS CARS, England and will let us know how it turns out. Stevie Giffin had a baby girl earlier that day.

Two movies borrowed from the New England MG-T Register (also shown at Williamsburg) were shown. They were great!

### NEXT MEETING

5 December at Dave Barrows house. Dave is throwing a Christmas party for our club that evening and it should be a fine affair. A map is enclosed. You are definitely invited!!!!!!
